

SCULPTRA TREATMENT GUIDE

1-2 vials are done per session. If 2 vials are needed they may be done in 2 separate sessions a few weeks apart.

MASSAGE RULE OF FIVES

Massage treated areas for 5 minutes, 5 times a day for 5 days.

AFTER 3 MONTHS

You may see results in 1 month but it takes around 3 months to see full results. At your 3 month follow up visit we will take your photos, review your results, and plan further treatment if needed.

AFTER TREATMENT

For around 2-3 days you will have your post-treatment glow. Treated areas will look nice and plump. You may also look a bit swollen.

BACK TO BASELINE

After around 2-3 days you will look like you did before treatment. Don't worry, be patient, it takes time to build your collagen.
